Primary renter must be at least 18 years of age and have a valid credit card. Renter will read and sign a rental agreement regarding care of people and equipment, river planning and time management, as well as damages and late fees.

There is a significant element of risk in any adventure sport or activity associated with the outdoors including rafting, kayaking, paddle boarding, and camping. **All participants** in any rental party will be required to read and sign an Acknowledgement of Risk and Waiver of Liability form prior to renting equipment from Wild West Voyages. Minors will require a **legal guardian's** signature to participate. Wild West Voyages recommends a minimum age of five years old for river rental participants. Primary renter will also read and sign a Rental Agreement regarding care of equipment and late fees, among other important topics.

Self-guided river activities require preparation on the part of the renter. Plan your route to account for distance, travel time to and from the river, seasonal flows, weather, the ages and experience levels of your participants, and other plans for your day. Wild West Voyages has resources to help you plan! Always wear your PFD (flotation vest) tightly and completely buckled, take food and plenty of water. **YOU ARE RESPONSIBLE FOR YOUR OWN SAFETY AND TIMING.**

TRANSPORTATION
Complicated logistics? Let us help. If you have one vehicle or no vehicle you will need additional help getting to the river and back with your gear. We can offer consultation on put in and take out points along the Colorado River near Moab. We offer custom one-way shuttle service for a fee, either at the beginning or end of your day. If you require both drop off and pick up, you can purchase both rides separately. See shuttle services and package Friendly Float deals for more details and pricing. Shuttle services available only for folks renting vessels from Wild West Voyages.

TIMING AND LATE FEES- There are two return programs: Same-Day Return and the Stay-Out-Late option. *Let's work together to plan ahead and pick the return program that best suits your needs!*

Same-day rentals are due back at Wild West Voyages no later than 6:30 pm on the day of the rental. It's a good idea to aim for 6:00 in case your logistics take longer than planned.

Want to keep your river vibe into the evening? Opt for the "Stay-Out-Late" add-on to your rental. You can return your boat and gear between 7:30 – 8:15 am the next morning for a small add-on fee. Priced at $10 per kayak or paddle board, and $40 per raft, this option keeps you out at the river, supports a leisurely pace, and helps you avoid late fees as well.

Guests who for the Same-Day Return program must return their gear to Wild West Voyages NO LATER THAN 6:30 pm on the day of their rental return. As late returns keep our staff after hours, fees are assessed without exception. Manage your time and aim to arrive earlier in case of logisitcal incidentals. Late fees are as follows:

6:35 PM Flat fee of $65 per group

$10 for every ten minutes thereafter until 7:15 pm.

Guests who do not return by 7:15 pm will be assessed all late fees plus an additional day's rental without exception. WWV staff are not expected to stay on site into the night well after their scheduled work hours.
