WILD WEST VOYAGES – MOAB, UT

COLORADO RIVER SHUTTLE PRICING FOR 2027

Customized Shuttle Service: We can set up a customized river shuttle for you and your group. Both one-way and two-way services are available, and drop-offs and pick-ups can be arranged for a variety of river access points so that you can select the section that is best suited for you and your group. To help us put in place all the required details for your group, please call to book this option. Prices are listed for one way, either drop off or pick up. Most boaters purchase one-way service to their put in point, dropping their private vehicle at their takeout point on their way upriver from Moab, then returning to town with equipment in or on their own vehicle. Please note that a service of both drop off and pick up will require **two** trips and **two** fees.

Big group? There are several ways to work your logistics. Please give us a call to work through the best setup for you and your paddling companions!

As there are plenty of details to discuss, we book custom shuttles by phone. Please call 435-355-0776 so we can determine your needs and work with you to set up your plan!

Plan carefully for your selected paddling distance, skill level, weather, seasonal flows, pack-&-load and travel times. Be sure to allow enough time for play and relaxation!

To enable us to best serve all our guests, please prioritize your meet time. Late charges apply for driver wait time at $30 per half hour.

Prices are flat rate per for our vehicle (NOT per-person). Sales tax and 3% land use fee added to all shuttle bookings. Service is offered to folks renting vessels from WWV only.
